Volunteer Interest Sheet

I am interested in serving on the following committee(s):

- Social Committee**
- Grievance Committee**
- Finance Committee**
- Membership Committee**
- Maintenance Committee**

I wish to serve on any of the above checked committees, but I realistically only have time to serve on ___ committee(s). Please select the committees that most need members, or that best fit my skills.

I understand that signing up for one or more committees requires an obligation of 1 or more hours per week per committee.

In addition to, or instead of, serving on a committee, I wish to serve the community by volunteering. I have the following interests or skills (check all that apply).
